

**RE-SCHEDULED AUTHORISATION MEETING FOR A
NATIVE TITLE DETERMINATION AGREEMENT
Uutaalnganu (Night Island) Native Title Group
Cape York United Number 1 Native Title Claim (QUD673/2014)**

Due to Sorry Business in Lockhart River Cape York Land Council (CYLC) has re-scheduled this meeting to **17 September 2021** in **Lockhart River** to consider whether to authorise a proposed agreement for a determination of native title for the area shown on the map below.

A determination of native title involves a decision of the Federal Court. Important things about a determination of native title include that the Federal Court determines (1) who holds native title, (2) what the native title rights are, (3) the area to which the native title rights apply after any determination is made, and (4) which corporation will represent the determined native title holders. If the meeting on 17 September 2021 authorises the proposed determination of native title, the determination will then be sought in the Federal Court. The Court has listed a

hearing for a potential consent determination for the area shown on the map above, if there is to be a consent determination, on **25 November 2021**.

A copy of the proposed agreement for a determination of native title for the area shown on the map above will be available at the meeting on **17 September 2021**. At the request of the people who constitute the Applicant in the Cape York United Number 1 Native Title Claim, CYLC staff and consultants will be in attendance to be available to explain things such as the meaning and effect of the proposed agreement at the meeting. Any person attending the meeting will be able to ask questions about the proposed agreement and state their views about it.
