SECOND PRE-AUTHORISATION MEETING
Cape York United # 1 Native Title Claim (QUD673/2014)

Atampaya Native Title Group

Thursday 11 August 2022

Injinoo

Cape York Land Council (CYLC) will hold a second pre-authorisation meeting on **Thursday 11 August 2022** in **Injinoo** to discuss the proposed authorisation process for the Atampaya Native Title Group to authorise the proposed s87A native title agreement for a determination of native title over the Atampaya claim area. At this meeting, CYLC will provide a summary of the outcomes of the meetings held with the Wuthathi Native Title Group on Wednesday 27 July 2022 and the Taepadhighi Native Title Group on 28 July 2022 in relation to the common boundaries between those groups and the Atampaya Native Title Group. CYLC will seek instructions from the Atampaya Native Title Group as to the proposed area to be included in a notice to authorise the s87A native title agreement for all or part of Atampaya country to be determined in the first week of October 2022.

A determination of native title involves a decision of the Federal Court. Important things about a determination of native title include that the Federal Court determines (1) who holds native title, (2) what the native title rights are, (3) the area to which the native title rights apply after any determination is made, and (4) which corporation will represent the members of the determined native title group. Following the second pre-authorisation meeting on **Thursday 11 August 2022**, there will be a meeting to authorise the s87A native title agreement on **Thursday 8 September 2022**, where the Atampaya Native Title Group will consider whether to authorise the proposed agreement for a determination of native title. If the Native Title Group decides in the affirmative, the determination will then be sought in the Federal Court. The Court has listed a hearing for a potential consent determination **in the week of 3 October 2022**.

Indigenous Land Use Agreement (ILUA)

CYLC will seek instructions in relation to an Indigenous Land Use Agreement for the purpose of doing agreed acts in an agreement area that covers about 2430 sq km, located approximately 90 km east of Weipa in the vicinity of Batavia Downs Homestead.
