

## AUTHORISATION MEETING FOR NATIVE TITLE DETERMINATION AGREEMENT

Northern Peninsula Sea Claim (QUD114/2017)  
North Eastern Peninsula Sea Claim (QUD115/2017)

### Gudang Yadhaykenu Native Title Group

ICN 1163 | ABN 22 965 382 705

Cape York Land Council (CYLC) will hold an authorisation meeting on **Tuesday 4 October 2022** in New Mapoon for the Gudang Yadhaykenu Native Title Group to consider whether to authorise a proposed agreement for a determination of native title over the Gudang Yadhaykenu areas as shown on the map **below**, coloured light green and middle green.

A determination of native title involves a decision of the Federal Court. Important things about a determination of native title include that the Federal Court determines (1) who holds native title, (2) what the native title rights are, (3) the area to which the native title rights apply after any determination is made, and (4) which corporation will represent the members of the determined native title group. If the meeting on Tuesday 4 October 2022 authorises the proposed determination of native title, the determination will then be sought in the Federal Court. The Court has listed a hearing for a potential consent determination for the areas shown on the map above (except for the areas labelled “Wuthathi Interest Area”, “Wuthathi TUMRA Area”, “Excluded Area”, and that part of the area labelled “Ankamuthi” that is beyond 30km from the coast), if there is to be a consent determination, on 30 November 2022 at either Horn Island or Thursday Island.
